

PowerPoint Fridays!™©®

---

Why: Lots of people here have cool ideas that never come up or would be awkward to flesh out fully in normal conversation.

What: Brief-ish presentations + questions + comments + arguments.

Where: HQ.

When: Friday at 5pm.

---

Please make *PPF!* presentations passionate, controversial, and most importantly, moralizing.

State your opinion and explain why everyone who doesn't share it is evil.

Dinner when yapping finishes.
